My Artwork is audaciously rooted in uncovering, interpreting, and challenging cultural, social, and historical narratives. Through research-driven, media-flexible projects, I create unforgettable experiences that provoke reflection and dialogue. This commitment to critical engagement informs my studio practice, pedagogical approach, and curatorial projects. I strive to make art that leaves a lasting intellectual and emotional imprint.

#### **Education**

2001 MFA Fine Art California Institute of the Arts, Valencia, CA (Honors)
